

# Is Expansive Leadership Training the Right Choice for Your Company?

If you are experiencing 3 or more of the following challenges, we might be able to help.

- Rapid increase in workforce size in a short period of time. Founders and early employees no longer know everyone's names.
- Many leaders who are highly skilled but are either new to leading teams or new to the organization.
- There is a high level of complexity, uncertainty and ambiguity.
- Senior leaders are committed to strong culture, values and mission, and have a strong desire to see them continue as the organization grows.
- New, higher level of expectation from board and/or investors.
- Desire to change old legacy limiting beliefs and behaviors.
- Many employees (high potentials in particular) verging on burnout.
